

MURAD HAJIYEV

Scientific Publications and Research:Published 15 scientific articles, 4 theses, and authored one program in the field of economics. Successful research in financial literacy and macroeconomics.

Competition Winner: Winner of the “Young Scientists and Financial Literacy” competition organized by the Science Development Fund under the President of Azerbaijan.

Academic Experience: 8 years of teaching experience as an economics lecturer in various universities.

Trainer: Conducted international-level trainings on economic dynamics for students and colleagues.

Analytical Thinking: Ability to analyze complex economic problems and develop solutions.

Leadership and Mentorship: Strong capability in motivating students and colleagues, enhancing their knowledge and skills.

Responsibility and Reliability: A professional approach to all tasks with a high sense of accountability.

Strong Economic Analysis Skills: Deep knowledge in analyzing macroeconomic processes and managing financial markets.

To contribute to shaping economic policies and financial strategies within the banking sector.

To conduct impactful research in global and local economic processes and apply them effectively.

I am looking for an opportunity to apply my academic expertise and professional skills in economic analysis, financial strategy, and policy development
